# JOHN MEENEHAN NEW EDITOR!

John Meenehan, 1222 Euclid Street, N. W., ADams 3297, is the new editor of Up Rope. John is well known to the members of the Washington Rockclimbers both as an expert climber and as a speleologist. Although he has been busy working on the movies taken of local climbers, he has offered to take on the additional responsibility of UP ROPE. We know the readers of UP ROPE have a treat in store for them for we are certain that there will be many interesting issues during John's tenure as editor.

We also want to take time out to thank all the members who have contributed articles and news, for without their help our task would have been insurmountable. We especially want to thank Elizabeth Vos who addressed a great many of the envelopes and Eleanor Tatge who has helped us with the typing of the June issues.
