COMING EVENTS

There will be a weekend trip to Old Rag for filming purposes May 9 and 10. Everyone is welcome, but some of the climbs will probably be set aside for the movie making. Logistics will be up to the individual.

Report on the Film Committee:

The "rushes" of the movie on safety were shown to the members of the Film Committee on Friday, 17 April at John Meenahan's. Everyone agreed that the climbing scenes with closeups of hands and feet were excellent. It was decided that some of the sitting belay scenes at Carderock would be refilmed inasmuch as the hand movements were not clear enough. As announced above, the sequence on Old Rag will be made on May 9 and 10.

Had an amusing request from Anna Michener some time back:

Here comes a holler
Along with my dollar --
I fell off the end of the rope!
Any chance of a back-up
So I can catch up
On all of the in-between dope?

For notice forgotten
And money sent not in,
Please pardon my conscienceless lapse.
Nor hold it agin me,
The work it will bring ye,
But bear with the likes of such saps.
