The following actions were taken at the business meeting, May 14:

1. Jane Showacre was re-elected vice chairman.

2. It was decided not to elect a secretary..

3. Ted, as chairman, was authorized to look into the possibility of securing a small gas engine to hoist Oscar and to buy a suitable one if available.

4. It was decided that there was no longer any need for the Mountaineering Committee to have a separate treasury and collect separate dues since we also receive an annual budget allotment from the PATC treasury. Current expenses will be met from the Mountaineering Committee treasury until it is exhausted, and no further dues will be collected.
