The Mountaineering Committee straggles into the Howard Johnson's at Western and Wisconsin Avenues between 7:30 and 8:30 AM each Sunday. Along about 9 people get moving toward the rocks. Beginners are welcome. Please introduce yourselves and you will be cheerfully instructed. If you're late, look behind the SE drainpipe for a note telling where the group has gone. Because of bad weather the destination may be changed from that which appears on the schedule, so please check the note. Standard climbing equipment includes tennis shoes, ice skates and/or bathing suit, drinking water, and a generous lunch. NOTE: much esteem can be gained through careful attention to the last mentioned detail.
