Sunday meeting place is Howard Johnson's restaurant, Wisconsin and Western Avenues. Climbers leave for the rocks at 8:00 a.m., so come earlier if you want breakfast there. Climbing lasts all day, and groups of climbers usually stop for supper on the way home. Bring lunch and water and wear suitable clothing to climb in.

Any interested person, whether P.A.T.C. member or not, is invited to join in the Section's activities. If you are completely new to climbing you are invited to learn to climb and belay capably and enjoyably; or, if you already know a kletter-schuh from a chimney, you are invited to enjoy using and improving your current climbing skills in the company of like-minded people.

If you arrive late at Howard Johnson's check behind the southeast drain pipe for a note designating a change in destination. This is especially important during the winter months when bad weather can be a factor.
